2nd INTERNATIONAL MASTERCLASS ON PROCTOLOGY AND PELVIC FLOOR DISEASES

Chairs: Gabriele Naldini and Tommaso Simoncini

16th-17th SEPTEMBER 2021 - PISA, ITALY

INTRODUCTION

Dear Friends,

It is our pleasure to invite you to the 2nd edition of International Masterclass on Proctology and Pelvic Floor Diseases (IMoPPD_21) that will be held on September 16th -17th 2021 in Pisa.

This second edition will be characterized by interactive round tables and all the attendees will have the opportunity to actively join the discussion by answering specific questions through digital supports.

The Masterclass will offer also lectures, oral presentations and consultant corners on the clinical-diagnostic approach and the treatment of proctologic and pelvic floor challenging topics.

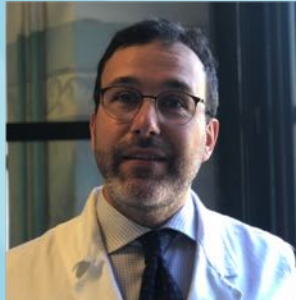

We will dedicate a lot of time to educational videos and discussion with a panel of experts. The Faculty will be international, involving different cultures, and it will be composed from a group of senior experts together with a group of young experts. The purpose is to induce all the participants to put their ideas into a dynamic discussion with different points of view belonging to different ages, cultures and countries.

We will wait to see you in Pisa on September 2021

PRE-CONGRESS SYMPOSIUM

Wednesday September 15th 2021

15:00 -17:30 WEBINAR MEETING
live from Congress Venue

Robotic-assisted pelvic floor reconstructive surgery:
development of an international consensus of expert users

Scientific coordinators:

Tommaso Simoncini and Gabriele Naldini

Final discussion of the results of the Delphi with all experts users in the robotic-assisted pelvic floor reconstructive surgery. This international multidisciplinary project has involved gynaecologists, urologists and colo-rectal surgeons to reach a consensus about the role of Robotic surgery to treat PFD.

PLEASE NOTE:

Participation in this Symposium is restricted to experts involved in the project.

The results of the Delphi Process will be presented during the round table on 16th September at 16:45

SCIENTIFIC PROGRAM

Thursday September 16th 2021

- 8:30 Registration
- 8:45 Open Ceremony & Introduction
- 9:00 **LECTURE:** Technology and research to improve the outcomes in proctology.
Are we sure that actual guidelines are really useful in clinical practice?
Speaker: **S. Di Saverio**
Comment: **C. Ratto**

HAEMORRHOIDS

Introduction and discussion: **R. Scherer, P. Sileri**

- 09:30 New technologies in day surgery setting: which procedure and which patient
J. Örhalmi
- 09:45 Stapled surgery vs excisional surgery: still divorced or new marriage?
L. Lenisa
- 10:00 Prevention and management of complications
R. Dong-Lin
- 10:15 Discussion and interactive video session
- 10:45 *Coffee Break*
- 11:00 **ROUND TABLE**
Goligher and the new technologies: we need more?
Coordinators: **G. Naldini**
Discussants: **J. Castillo, P. Tejedor, J. Orhalmi, D.Mascagni, A. Al-Resini,**

INCONTINENCE

Introduction and discussion: **L. Bruscianno, J. Castillo**

- 11:45 360° pelvic floor rehabilitation: from the multimodal approach to the transanal irrigation
J. Martelluci
- 12:00 Present and future of Neuro-sacralmodulation
M. Murphy

12:15 Anal sphincter injuries: timing, surgical procedure and THIEL cadaveric training
L. Sánchez-Guillén

12:30 Prosthetic and regenerative surgery
C. Ratto

12:45 Discussion and interactive video session

13:15 *Lunch*

14:15 **ROUND TABLE**

Anal Fistula: Parks and the "new" procedures: we need more?

Moderator: **J. Warusavitarne**

Discussant: **C. Ratto, V. Giaccaglia, R. Scherer, U. Grossi, L. Brusiano**

CROHN

Moderator: **M. Franceschi, L. Ceccarelli**

15:00 Management strategy for simultaneous abdominal and perineal Crohn's disease
A. Spinelli

15:15 Biologic and immunoregenerative therapy in perineal Crohn's disease
J. Warusavitarne

15:30 IBD Centre: Face to Face
What the surgeon wants
R. Brady

What the gastroenterologist wants
A. Armuzzi

16:00 **ROUND TABLE**

Perineal Crohn's disease classification

Moderator: **A. Spinelli**

Discussant: **J. Warusavitarne, A. Armuzzi, R. Brady, P. Meinero, S. Laureti, P. Tsarkov**

16:45 **ROUND TABLE**

T. Simoncini

Robotic POP Surgery Advantages: Results of Delphi and discussion

H. Davila, C. Raisenauer, S. Schraffordt Koops, G. Meurette, E. Consten

17:30 *Closing Session*

Friday September 17th 2021

09:00 ROUND TABLE

Legal issue: You are guilty! Show me the evidences.

Moderator: **D. Mascagni**

Discussant: **S. Di Saverio, H. Davila, J. Deprest, M. Murphy, M.Mistrangelo**

COMPLEX PELVIC ORGANS PROLAPSE

Introduction and discussion: **A. Al-Resini, P. Tejedor**

09:45 Pelvic floor rehabilitation: alternative, before or after surgery
L. Oliveira

10:00 How to manage internal rectal prolapse: Face to Face
Transperineal approach
V. Giaccaglia
Transabdominal approach
J. Warusavitarne

Discussion

10:30 Understanding the biological impact of prosthetic material
J. Deprest

10:45 Robotic approach: the learning curve
H. Davila

11:00 Discussion and interactive video session

11:30 *Coffee Break*

11:45 CONSULTANT CORNER:

Clinical Cases of complex PF disorders

Introduction and discussion: **M. Murphy**

Discussants: **T. Simoncini, J. Deprest, H. Davila I, V. Giaccaglia, L. Lenisa**

12:45 **LECTURE:** How to build a web reputation
R. Brady

Comment and Discussion: **A. Graziottin**

13:15 *Lunch*

14:15 **LECTURE:** Telemedicine in proctology: from the emergency to a new normality
Speaker: **S. Pillon**
Comment and Discussion: **J. Örhalmi**

ANAL FISTULA

Introduction and discussion: **R. Scherer, U. Grossi**

15:15 To drain or not to drain: proctologist's dilemma!

P. Meinero

15:30 How to manage the recurrences

P. Tsarkov

15:45 New techno-based procedures: business or reality?

F. Cantarella

16:00 CAL (cell assisted lipotransfer) in treating refractory complex anal fistula

S.H. Hwang

16,15 Discussion and interactive video session

16:45 **LECTURE:** Hyperactive pelvic floor and sexual pain disorders – the evil twins

Speaker: **A. Graziottin**

Comment and Discussion: **R. Perinotti**

17:15 **LECTURE:** A pictorial view of Sexually Transmitted Diseases

Speaker: **M. Mistrangelo**

Comment and Discussion: **I. Tulina**

17:45 *Closing e remarks*

GENERAL INFORMATION

TIME: 2 days

DATE: 16th -17th September 2021

OFFICIAL LANGUAGE: English

PARTECIPANTS: 200 pax maximum

CME ITALIAN CREDITS: 11

ID EVENT NUMBER: 324916

The training course has been accredited for: Physicians (General Surgery, Gynecology, Urology, Gastroenterology), Physiotherapists.

REGISTRATION FEE

The complete training cost is Euros 500 + VAT

The registration fee includes: certificate of attendance, coffee breaks, lunches, dinner if confirmed during the registration process.

CONGRESS VENUE

STAZIONE LEOPOLDA PISA

Piazza Guerrazzi - PISA - ITALY - www.leopolda.it

The Leopolda was one of the first railway stations built in Italy. It was realized in 1844 by Grand Duke Leopold II of Tuscany. Restored in 2002, it is now a cultural and conference centre easily accessible from downtown .
